*List of field trip/ guest lecture:*

Guest lectures and field trips are integral to all college core and major courses of the Bachelor of Business Administration (BBA) program at VinUniversity, significantly enhancing the educational experience by bridging theoretical knowledge with real-world application. Together, guest lectures and field trips cultivate a dynamic, experiential learning environment, equipping BBA students with the competence, integrity, and entrepreneurial mindset needed to excel as future business leaders in Vietnam and beyond.

*Study tour:*

Study Tours are an invaluable academic tool, designed to expose students to authentic, real-world environments and provide unparalleled insights into various industries. These tours are meticulously crafted to take place off-campus, allowing students to immerse themselves in hands-on experiences at the host company or organization, all while being guided by an expert in the industry.

Through the Study Tour, students will be empowered to navigate different business topics and gain a comprehensive understanding of various industries. Moreover, participating in a Study Tour is a unique opportunity for students to expand their professional network and refine essential soft skills, such as problem-solving, communication, presentation, and teamwork. By mastering these essential skills, students will be well-positioned to stand out in a competitive job market and secure coveted job opportunities.

*List of internship opportunity:*

The Bachelor of Business Administration (BBA) program at VinUniversity offers a variety of internship opportunities for students to apply theoretical knowledge to a real-world work environment and learn more about companies that students may be interested in joining after graduation. The internship will take place off-campus at a business organization of the student's choice **(subject to acceptance into a designed program and the college approval)**. During the internship, students will have the opportunity to discover and/or confirm their career interests, develop their knowledge of business

	<p>management, and gain valuable professional skills and connections with industry professionals.
